Touro University California, a rapidly growing university offering graduate programs in health sciences and education, has an excellent opportunity for an Assistant/Associate Professor for Touro University College of Osteopathic Medicine/Osteopathic Manipulative Medicine Department on our Mare Island campus. The university is part of the Touro College and University System and is located on the northern tip of San Francisco Bay in Vallejo, California. Touro University California is an independent, non-profit Jewish-sponsored institution. It has 1,403 students in three graduate professional colleges (Osteopathic Medicine, Pharmacy, Education and Health Sciences).

POSITION DESCRIPTION: is not intended to cover every work assignment a position may have. Rather, they cover the broad responsibilities of the position.

Typical department duties will be designed to fulfill OMM department goals and priorities in delivering OMM curriculum in the preclinical and clinical periods of TUCOM curriculum. Personal and professional development faculty development will be considered in the assigning of duties in the effort to create a rewarding collegial work environment. Duties will include but not be limited to the following:

1. Generation and delivery of OMM didactic lectures, preclinical and clinical lab experiences
2. Weekly participation OMM Laboratories (or Practical exams)
3. Weekly approved clinical service
4. Weekly attendance to OMM Department Meetings
5. Weekly administrative Time
6. University Service as assigned by Department Chair
7. Other Assignments as required by the Department Chair

REPORTS TO: Chair of OMM Department

SPECIFIC RESPONSIBILITIES: are those work assignments which are predominant, regular and recurring.

These categories and times may be modified in consultation with the department chair to better meet the needs of the department and the faculty member. It is the responsibility of each faculty member to keep the department chair informed of work activities and projects. This should be done by consultation with the chair and/or submission of monthly activity reports within two weeks of the end of the month. Each faculty member is also responsible for submitting a monthly leave report within two weeks of the end of the month. It is expected that every faculty member will behave and interact with students, staff and faculty in a collegial and professional manner.

- All efforts will be made to distribute among the department the lecture/lab teaching load in an equitable manner, although the exact numbers of each may vary. First year faculty with limited academic experience are expected to attend departmental lectures as determined by the departmental chair. Variation from this standard may be given at the discretion of the department chair to meet departmental needs.
- Clinical work is expected of faculty to maintain skills, provide educational opportunities for our students and provide service to the community. This is typically done at the TUC/ Solano County Family Health Services Clinics or other TUCOM affiliated inpatient or outpatient clinical venue, and requires the timely completion/submitted of a Touro University-California credentialing packet. Consistent regular clinical presence is required though appointments may need to be rescheduled within a given week due to unresolvable conflicts with the academic schedule. Clinic appointment cancelation should be avoided. A limited specific patient population (pediatric, geriatric, etc.) may be fostered, but not to the exclusion of opportunities of other faculty members or if it means a full schedule cannot be maintained.
- OMM department administrative time is intended to be used for curriculum, and assessment tool development, question writing, completion of monthly leave, activity reports etc…, professional
communications (internet, phone, etc.) and professional contacts.

- University service time is intended to be used for TUC or TUCOM committee participation, clinical or educational research, SAAO Clinic supervision, student advising meetings, educational OMM student treatments, TUCOM club advising, faculty recruiting or other activities approved by the OMM department chair that can vary on a weekly basis. Approved activities that occur off campus after normal work hours are considered an addition to the typical work day. Committee participation is expected at a level of one major TUCOM CA committee (example: Admissions, Student Promotions or Rank and Promotion) or 2-3 less demanding committees for full time faculty and 1-2 less demanding committees for part time faculty. Variation in committee participation requires consultation and approval of the department chair.

- Additional task assignments specified below may be designated by the department Chair and are designed to fulfill ongoing OMM departmental/University requirements and/or support individual projects as departmental resources permit.
  - 3rd & 4th Year clinical curriculum development and delivery
  - Generation of extra OMM Lecture presentations, objectives and exam questions in Examsoft
  - Serve as OMM Lab Table trainer
  - Coordination and/or preceptorship of the OMM Predoctoral Teaching Fellowship program
  - Serve as a OMM Course Coordinator
  - Personal projects, that may include research including research
  - Treating student OMM lab reactions as necessary
  - Task assignments not otherwise specified but necessary for support of departmental priorities

QUALIFICATIONS: is the Education, Training and/or related experience needed by the person to perform the job.

Applicant should be committed to the support and development of the next generation of enthusiastic Osteopathic physicians. This would include (but not necessarily limited to) modeling applied Osteopathic philosophies, OMM clinical integration, sound clinical decision processes, and moral/ethical sensitivity into clinical practice through the use of competent palpatory diagnosis and treatment.

Qualifications:
  - Active board certification in OMM/NMM or board eligible or
  - Active other applicable specialty board certification with demonstrable OMM skills
  - Clinical practice experience
  - Licensed or ability to be licensed in the State of California - Required
  - Unrestricted DEA licensure - Required
  - Graduate of an AOA-approved osteopathic college- Required
  - Residency training and teaching experience desirable
  - Research experience or interest desirable

Rank, Salary, and Benefits:
- Assistant or Associate Professor as determined by Touro Rank and Promotion Committee
- Salary based on experience and credentials
- Touro University faculty benefit package
- Clinic stipend and bonuses available
- Relocation assistance available
